

**Are you interested in a retail career -
or do you need a boost to get ahead?**

If so, join us for an information session about a **FREE** certificate program to help you build your retail career!

Customer Service & Sales Fundamentals

Top 5 reasons this training will help your career:

- Retail training can lead to many careers - not just sales or stock
- Certification will help you get hired or get ahead - at no cost to you (costs are covered by a grant)!
- You'll receive help with getting a job or coaching to help you advance
- Retail employers are eager to hire graduates of this program
- Many retail jobs pay well when you move up - and you can move up fast in this industry!
